### *From Our Pro – Martin*

Congratulations to our Club Champions in each division.

The golf course is coming around, Rocky just about has all of the poa anna out of the greens and there is a lot of Bermuda filling in the weak areas. A little bit of rain and they will be as good as any greens in the area. Fairways are looking good as well. One thing we all can do is watch our cart traffic patterns. We all have the tendency to go the quickest route especially around the greens and the start of the fairways. You will notice areas that are compacted from the traffic and the turf is not as healthy. If half of us can go in a different route back to the cart path and avoid those areas it will make a huge difference in Rocky's efforts in providing us a quality playing surface.

**Golf courses all over the country are closing their doors or changing the way they do business. As a member owned club, in the current economic climate, we need new members to maintain the condition and playability we are accustomed to. TCC will have a membership drive from April 1st to June 30th and we need each and every current member to be involved. Any one joining our club during these three months will benefit by:**

- paying \$250 initiation fee – a 50% discount
- receiving one free month on the cart plan

**The TCC member obtaining members during this membership drive will receive a “Christmas Bonus”. For each full membership you bring into the club and they remain till December, you will receive:**

- \$100 cash for the 1<sup>st</sup> full membership
- \$200 cash for the 2<sup>nd</sup> full membership
- \$300 cash for the 3<sup>rd</sup> full membership

**Tomball CC tri-fold brochures are available in the pro-shop with complete membership information for all current members to hand out and we challenge each of you to introduce Tomball CC to at least four golfers that you meet during this drive. Can you think of another club in the Houston area that does not require tee times, or enjoys the level of fun playing golf with genuine folks that we have here at Tomball? We can continue to improve Tomball CC just by adding a few more of our golfing friends. When you run into a fellow golfer like yourself that would be a worthwhile addition to our club, give them the membership information and invite them to give us a look. Give them the opportunity to take advantage of the great package we are offering and remember to put your name on the brochure to insure credit when they join.**
